WIS

Geert-Jan Houben
WIS 2008

• WIS & Web Engineering (2/9 & 9/9)
  – individual assignments by 8/9 & 28/9

• Semantic Web data & apps (7/10 & 14/10)
  – individual assignment app. 4/11

• Web 2.0 & trends (18/11 & 25/11)
  – individual assignment app. 16/12
Sep. 2 – Dec. 16

- Follow lectures (obligatory)
- Do homework assignments (as explained in lecture)
  - Deadline and procedure for handing in are included in assignment
- 140 hours (40 A + 40 B + 60 C)
- Ex. Block A: 4 lec. + 6 1st ass. + 30 2nd ass.
Grading

• At the end, all the assignments handed in are considered by the teacher, in accordance with the time allocated for them, and after the examination a grade is determined.

• The final (block C) assignment/paper is the main topic for the (oral) examination, but all work handed in can be considered there.
